MONDAYS

LIFE IN CHRIST

Facilitated by Pam Wagner
Mondays 10 am - Fireside

FEB 5 - MAR 25

The Bible tells us that God moved the Hebrew children through the wilderness in stages (Exodus 17:1). The Promised Land was an eleven-day journey from Egypt, but the people were not prepared to go directly there. They had to be delivered from the mind-set of a slave to walk in the freedom that God had intended for them. They needed to be transformed by the renewing of their minds and the healing of their souls. The same is true of each of us. Our identity as His children is firmly established in our relationship with Jesus, but, like the Hebrews, we require transformation that comes from the Lord. **Materials Needed: Bible**

THURSDAYS

EXPERIENCING GOD MOVE AS WE PRAY TOGETHER

Facilitated by Pam Lewis & Kim Donaldson

FEB 1 - MAR 7

Thursdays 10am - Room 220

We invite you to explore the power of praying together. Acts 1:14 reminds us that the very first Church was a praying church that demonstrated strength in unity as they prayed together. God still hears & moves on our "symphony of prayers." A foundational law of the Kingdom of God is His love poured forth into our hearts through the Holy Spirit (Romans 5:5). As God's love motivates each prayer we pray, we will see His power move in our lives and into other's lives and situations. Praying together as the Body, we will impact the world around us. We will learn and DO the things that make a praying church as we operate in word and deed through the unction of the Spirit to: strengthen our personal prayer times, change our lives and the world around us, and experience God moving as we pray together. **Materials Needed: Bible and a notebook**

As we acknowledge His Lordship in our lives, prepare for your faith to rise beyond the buoys! **Materials Needed: Bible**

We believe that it is possible for women who have experienced the untimely loss of a spouse to find purpose in their pain and a new understanding of themselves and their Heavenly Father. IS CHRISTIANITY TRUE?

Facilitated by Renee Kelly

Mondays 6:45 pm - Room 225

FEB 5 - MAR 25

There are several different religious worldviews competing against Christianity in our society today. One may wonder, is there such a thing as one universal truth? If there is, then how do we know we are serving the right God? Or does everyone get to pick their own God or flavor of religion and that's what truth is? Throughout scripture we are instructed to seek out this truth along with wisdom, knowledge, and understanding. This is a matter of using our faculty of logic and reason to determine what the truth is based off scientific evidence and mathematical probability. Biblically, faith and reason are united, supportive of one another and work together in our walk with Christ. Join us for an 8-week, fact based, cumulative case-study that will equip you to not only answer some of these tough questions, but to also work through any doubt, reservation, and skepticism about Christianity. **Materials Needed: Bible**

THE AWE OF GOD

Wednesdays 6:45 pm - Fireside

MAR 13 - MAY 15

Do you long for an intimate relationship with your Creator, but He seems elusive? Perhaps it is because something utterly essential is missing—the fear of the Lord. Fearing God is very different than being afraid of God. It's the key to everything. In *The Awe of God*, we take a fresh look at what it means to work out your salvation with fear and trembling. This healthy, holy, and largely forgotten virtue is the uncommon path to a more fulfilled and fruitful spiritual life. You will discover how holy fear is vital to a close relationship with God, frees us from all other fears and anxieties, purifies our inward motives and intentions, and leads us into true wisdom, understanding, and knowledge. **Materials Needed:** *The Awe of God: The Astounding Way a Healthy Fear of God Transforms Your Life* by John Beveré.
